

JCC Bereavement Group

Facilitator: Rabbi Bryan Kinzbrunner

The focus of the group will be to discover personal models for navigating through the challenges of loss. Each session will facilitate discussion and sharing on different topics. These sessions will be mostly group driven, with the facilitator helping to guide the group in a process of sharing so as to help each other during one's difficult time. There is no fee for this group and no need to "go it alone".
