

As we prepare for the New Year, a time for sharing and reflection, for repentance and thanks, all of us at the JCC wish for you to be inscribed for a New Year of health, happiness and peace.

All that the JCC has accomplished this year and throughout the years was made possible because of you. For that we say THANK YOU.

Because of you we live in a community that promotes harmony, mutual respect, warmth and welcoming. Because of you we are able to provide programs, services and experiences for people of all ages, backgrounds, needs and interests. Because of you we have created a special place that secures Jewish values of education, enrichment, tolerance and respect and mutual understanding. Because of you the JCC helps you, your families and friends lead healthier, more vibrant and stimulating lives. You have volunteered, participated, donated and supported the JCC and its mission, and by your support you strengthen the circle of life that is the JCC.

We ask that as you reflect on the past year and hope and dream for the New Year to come, that you remember and consider the JCC by making a Gift to the JCC, in honor or in memory of a loved one, in support of a program or service that touched you or someone close to you, in appreciation for the impact of the JCC on your family, your children, your community, or simply because you value the experiences of today and hope to be part of the new experiences of tomorrow. We appreciate any gift that supports our mission and enables the JCC to continue to maintain a vibrant community.

Please Remember the JCC!!

Thank you and Shana Tova.
