

MISSION STATEMENT

Our goal is to build a school that strives to create an environment in which all children are encouraged to develop and grow in a positive atmosphere. This will help children to be prepared for their future. We stand committed to providing the necessary resources to deliver a progressive education that sets excellence as its standard.

INTRODUCTION

Bright Beginnings Preschool program at the JCC of Middlesex County provides a warm and stimulating atmosphere. We offer a child centered environment where our students learn by doing. Hands-on experiences and play are highly valued as learning media. Every experience is geared to encourage feelings of security and confidence in an age appropriate atmosphere where each child feels free to explore, observe, question, listen and learn. We encourage close contact between parents and teachers. To successfully educate a child, our preschool philosophy encompasses the entire family. Parental involvement is a critical component of the child's preschool experience. Bright Beginnings Preschool provides programming that touches the
