March 16, 2020

Dear Parents,

Effective today, March 16, 2020 our preschool has closed for in-house learning. A packet of classroom assignments has been mailed to your child at home with the lesson plans through the end of March.

Our facility is currently closed through April 5th with plans to reopen on April 6th. Any changes will be updated immediately on our website.

This is obviously a situation that needs to be monitored closely and we are taking every precaution to ensure the safety of our staff, students, community center members and visitors to our facility.

We will continue to have updates on our website, www.jccmc.org , so please check often for further information.

The office staff is currently on a work schedule of Monday through Friday from 9am to 2pm until April 6th.

March 2020 Preschool payments will not be refunded or adjusted at this time as we are supplying learning materials and support for home study as the Edison Township Board of Education has done in the public schools.

Enrichment classes will be adjusted for two days each day of week as we had our scheduled classes through Friday, March 13, 2020.

We ask that you remain diligent in maintaining the recommended safety precautions and continue to view our website for updates.

We appreciate your patience at this difficult time.
